2. DG heeft tijdens de Veiling het recht onjuistheden in door of namens haar gedane (mondelijke en schriftelijke) uitingen alsmede, al of niet tijdens de Veiling, gemaakte fouten te corrigeren.
3. Zij die deelnemen aan de Veiling zijn verplicht om de door of namens DG gegeven instructies en aanwijzingen op te volgen, en aanvaarden het feit dat bij de Veiling technische storingen kunnen optreden waardoor een digitaal gedaan bod mogelijk niet goed wordt verwerkt.
4. Bij dubbele biedingen en eventuele geschillen over gunning aan Koper zal de Kavel door loting worden gegund.

Artikel 4. Wijze van veilen en totstandkoming Koopovereenkomst

1. De Veiling betreft een 'TAG+'-veiling, welke als volgt werkt:
Iedere Kavel heeft een startbedrag waarop kan geboden worden bij opbod en waarbij de hoogste bieder bij afslag de win naar is, maar daarbij heeft iedere Kavel ook een 'koop-nu'-prijs, waarmee de Kavel tegen de vermelde bedrag 'koop-nu-prijs' van de Veiling kan worden gekocht. De Kavel wordt dan direct voor de vermelde 'koop-nu-prijs' gegund en gesloten. Vanaf dat moment is het voor anderen niet meer mogelijk deze Kavel te kopen.
2. Voor veilingnummers die niet voor de 'koop-nu-prijs' zijn gegund geldt de hoogste prijs op het moment van afslag. De sluitingstijden staan vermeld bij iedere kavel. Kavels waarop wordt geboden bij afslag sluiten één voor één vanaf het aangegeven tijdstip. Indien erin de laatste 5 minuten van de veiling voor een kavel nog wordt geboden, dan zal de eindtijd van de betreffende kavel verlengd worden tot opnieuw 5 minuten. Dit herhaald zich zolang er wordt geboden.
3. Bieder wordt gehouden aan zijn of haar bod totdat een hoger bod is geaccepteerd.

VEILINGVOORWAARDEN 'Diamond Genetics Easter Sale 2024 - Online TAG+ Sale'

Artikel 5. Betaling en Levering Kavel(s)

1. Na Toewijzing van een Kavel stelt DG een factuur op en dient de Koper de Koopsom, te vermeerderen met 10% Veilingkosten en BTW, aan DG te voldoen op een door deze aan te wijzen bankrekening uiterlijk binnen zeven (7) dagen na aankoop op de veiling.
2. De Kavel gaat niet eerder in eigendom op de Koper over dan nadat deze aan al zijn financiële verplichtingen uit de Koopovereenkomst heeft voldaan. De veiling van de Kavels is volgens incoterms 'Ex Works'.
3. Vanaf het moment van afslag is de Kavel volledig voor rekening en risico en valt onder verantwoording van de Koper, ook indien de fysieke verplaatsing van de Kavel pas in de toekomst plaats vindt. Kopers wordt geadviseerd om de aan hun toegewezen Kavels te verzekeren.

Artikel 6. Wanprestatie

1. Indien de Koper van oordeel is, dat de Kavel na toewijzing niet aan de Koopovereenkomst beantwoordt, dient hij de Verkooper hiervan binnen drie (3) dagen na toewijzing dat de Kavel niet aan de Koopovereenkomst beantwoordt, in kennis te stellen door middel van een aan de Verkoper te verzenden aangetekende brief. De Koper kan zich na ommekomst van drie (3) dagen na toewijzing na niet langer op het feit beroepen dat de Kavel niet aan de Koopovereenkomst beantwoordt.

Artikel 7. Aansprakelijkheid

1. DG sluit, voor zover rechtens toegestaan, elke (in)directe aansprakelijkheid uit ten opzichte van de Koper, de Verkoper en derden en in het bijzonder, maar niet beperkt tot de navolgendegevallen:
 - a. wanneer een in de Veilingcatalogus vermelde Kavel uiteindelijk niet ter veiling wordt aangeboden; en
 - b. gevolgschade, zoals schade in de vorm van winstderving of in welke andere vorm dan ook.
2. De veilingcatalogus is met de grootste zorg samengesteld, maar DG is niet aansprakelijk voor fouten in de Veilingcatalogus. Op de Koper rust de verantwoordelijkheid om de juistheid van deze gegevens te controleren.

Artikel 8. Afsluitende bepalingen

1. Met betrekking tot alle geveilde vrouwelijke Dieren geldt: DG heeft het eerste recht voor terugkoop van de geboren nakomelingen (1e generatie). Voor het terugkopen van nakomelingen geboren uit de geveilde vrouwelijke Dieren geldt geen maximum termijn of einddatum.
2. DG betaalt een prijs van € 1.500,00 per kalf (stier/vaars) tot en met de 7e maand. Indien na het verstrijken van genoemde termijn DG alsnog haar terugkooprechten wil uitoefenen, dan betaalt DG een extra vergoeding van EUR 5 per dag dat het stier- of vaarskalf langer bij Koper heeft gestaan.
3. Koper dient alle geboren nakomelingen binnen 48 uur aan te melden bij DG. Voor eigen drachten – dus het eerste geboren kalf uit degeveilde drachtige pink – geldt dat uiterlijk binnen 7 dagen na geboorte een haarmonster met minimaal 100 haarwortels en twee DNAbiopten aan DG te versturen voor een door DG betaald genomisch onderzoek.
4. Uitsluitend na schriftelijke toestemming van een rechtsgeldig vertegenwoordiger van DG mag Koper de geveilde (drachtige) pink en daaruit geboren nakomelingen onder deze overeenkomst onder voorwaarden verkopen aan derden.
5. Bij doorverkoop van een Kavel dient Koper een zogenaamd kettingbeding op te nemen. Bij doorverkoop van een Kavel ontslaat dat Koper en Verkoper niet van diens rechten en plichten.

Artikel 9. Toepasselijk recht en geschilbeslechting

1. Op deze Veilingvoorwaarden en alle overeenkomsten die met deze Veilingvoorwaarden verband houden of daaruit voortvloeien, is uitsluitend Nederlands recht van toepassing.

3. Geschillen waarbij Verkoper en Koper niet tot een oplossing kunnen komen worden voorgelegd aan de bevoegde rechter in het arrondissement Zwolle

- 2. These Auction Terms shall apply to all Purchase Agreements concluded during the Auction as well as to all agreements resulting therefrom.
- 3. These Auction Terms and Conditions have been drawn up in the Dutch language and this text is binding. If the Auction Terms and Conditions have also been drawn up in another language, in the event of a dispute regarding the content or purport of these Auction Terms and Conditions, only the Dutch text and its meaning in the Dutch jurisdiction will be binding.
- 4. Each participant in the Auction thereby indicates that they are familiar with these Auction Terms and Conditions and agree to their contents.
- 5. The Seller guarantees that all Animals auctioned at the time of the Auction are virus-free from IBR and BVD.

- 2. During the Auction, DG has the right to correct inaccuracies in statements made (verbally and in writing) by it or on its behalf as well as mistakes, whether or not made during the Auction.
- 3. Those participating in the Auction are obliged to follow the instructions and directions given by or on behalf of DG, and accept the fact that technical failures may occur during the Auction which may result in a digital bid not being processed properly.
- 4. In case of duplicate bids and any disputes on award to Buyer, the Lot will be awarded by drawing lots.

Article 4. Method of auction and formation of Sales Agreement

- 1. The Auction is a 'TAG+' auction, which works as follows:
Each Lot has a starting amount that can be bid for at auction, with the highest bidder at auction being the winner, but in addition, each Lot also has a 'buy now' price, which allows the Lot to be bought at the stated 'buy now' price of the Auction. The Lot is then immediately awarded and closed at the stated 'buy-now' price. From then on, it is no longer possible for others to buy this Lot.
- 2. For auction numbers that have not been awarded at the 'buy now price', the highest price at the time of auction applies. The closing times are indicated for each lot. Lots on which bids are made at auction close one by one from the indicated time. If there are still bids for a lot in the last 5 minutes of the auction, the closing time for the lot in question will be extended to another 5 minutes. This repeats itself as long as there are bids.
- 3. Bidder will be held to his/her bid until a higher bid is accepted.

2. Ownership of the Lot shall not pass to the Buyer until the Buyer has fulfilled all its financial obligations under the Purchase Agreement. Delivery is according to incoterms 'Ex Works'.
3. From the moment of allotment, the Lot is entirely at the Buyer's risk and expense, even if the physical movement of the Lot does not take place until the future. Buyers are advised to insure the Lots allocated to them.

Article 6. Default

1. If the Buyer is of the opinion that the Lot does not comply with the Purchase Agreement after allocation, he must notify the Seller thereof within three (3) days after allocation that the Lot does not comply with the Purchase Agreement by means of a registered letter to be sent to the Seller. After the expiry of three (3) days after allocation, the Buyer may no longer claim that the Lot does not comply with the Purchase Agreement.

2. In addition to these prevailing auction conditions, the general terms and conditions of Diamond Genetics apply, which can be found via this link: <https://www.diamond-genetics.nl/en/algemene-voorwaarden/>.
